CALCUTTA GENERAL POST OFFICE, the 25th Feb. 1880.

LETTERS for Calcutta are now sorted in the train by the Travelling Post Office. All letters the addresses of which do not contain full particulars of residence (such as street, lane, &c.) must be sorted into the bag for the head office, i.e., the General Post Office. If the letter is deliverable through a sub-office this will cause delay in its delivery, as letters with full address are sorted into direct bags for the sub-offices, and these bags are sent off immediately on arrival at the head office. The public are therefore earnestly requested to desire their correspondents to address their letters as fully as possible otherwise delay will be inevitable.

Government officials in the Mofussil are requested to pay particular attention to the above.

POSTAL NOTICES.

LETTERS for Calcutta are now sorted in the train by the Travelling Post Office. All letters the addresses of which do not contain full particulars of residence (such as street, lane, &c.) must be sorted into the bag for the head office, i.e., the General Post Office. If the letter is deliverable through a sub-office this will cause delay in its delivery, as letters, with full address are sorted into direct bags for the sub-offices, and these bags are sent off immediately on arrival at the head office. The public are therefore earnestly requested to desire their correspondents to address their letters as fully as possible otherwise delay will be inevitable.

Government officials in the Mofussil are requested to pay particular attention to the above.

Appendix E.

No. 114A.

From—The Auditors of the Accounts of the Municipal Corporation for the Town of Calcutta,
To—The Municipal Commissioners for the Town of Calcutta.

GENTLEMEN,

WE have the honor to inform you that we have audited the cash, and, with the exception of the Entally Manufactory, the store accounts of the Corporation of Calcutta, and have found them to be correct. The Entally Manufactory's accounts were not ready for audit.

2. The printed accounts of the several funds and loan accounts have been prepared in the same forms as those of last year, and in them will be found a comparison between the actuals and estimate. The result of this comparison calls for no special remarks in this report, but we would mention that the savings are attributable partly to the non-payment of charges which had fallen due during the year.

3. With reference to our last report, we have to repeat that the head of account "de-watering and filling up tanks" includes, on the receipt side, many items which are not items of revenue, and on the expenditure side amounts which are recoverable. The check over this account is not satisfactory. The register of lands and immovable property, which was directed to be opened on our recommendation in 1877, has been commenced, but is not yet completed. We also wish to bring to your notice the desirableness of maintaining a complete list of the movable property of the Commissioners. At present there is no such list, and therefore no proper check as to what becomes of such property.

4. In our last report it was noticed that the Commissioners had disallowed the cost of an iron latrine, Rs. 1,200, and of three street-bathing lamps, Rs. 1,050. No further orders have been produced for the adjustment of these charges which were paid out of the General and Water-rate Funds respectively.

5. The balances on the 31st December of the Stores and Suspense Accounts, as shown in the printed balance sheet, have been analysed and explained in detail with the following exceptions, which should now be investigated:—

1. Road Department recoverable charges.
2. Town Hall Lighting.
3. House Drainage recoverable.
4. Deposits for appeal.
5. Entally manufacture.
6. Excess receipts from sale of property distrained.
7. Interest payable on the several debenture loans.

6. We desire to bring to notice that the conditions under which the working of the Hackney Carriage Act was transferred from the Commissioner of Police to the Municipal Commissioners of Calcutta, as detailed in a letter from the Government of Bengal, Finance Department, No. 2024, dated the 22nd May 1878, require attention. No separate account is kept of the receipts and charges under the Act, or of the amount available for the improvement of carriage stands and stables in the town, and no payments have been made either to the Suburban or the Howrah Municipal Commissioners of their shares of the net receipts.

7. The following amounts are shewn in the balance sheet as held by the Collectors, Assessor, Inspector of Bazars, Engineer and Arrear Collection Departments, in unrealized rate and miscellaneous bills at the close of the year:—

					Rs.	A.	P.
Collector—	House-rate	52,638	2	0
	Lighting-rate	15,758	9	9
	Nighting-soil	40,879	5	6
	Water-rate	29,564	8	3
	Police-rate	17,730	2	6
	Miscellaneous bills	16,836	9	5
					1,73,407	5	5
Assessor—	House-rate	43,707	6	6
	Lighting-rate	27,649	9	0
	Night-soil	1,20,567	4	9
	Water-rate	51,937	8	0
	Police-rate	30,975	7	0
					2,74,837	3	3
Arrear Collection Department—	House-rate	63,209	14	6
	Lighting-rate	20,489	15	9
	Night-soil	66,554	14	0
	Water-rate	39,761	9	6
	Police-rate	23,000	1	6
					2,13,016	7	3
Late Collector—	Night-soil	905	12	9
	Miscellaneous	6,948	4	8
					7,854	1	5
Engineer—Miscellaneous bills					187	7	9
Inspector of Bazars—Market rent bills					6,636	9	9
Grand Total					6,75,939	2	10

Stock of these bills was not, however, taken nor had detailed lists of them, except in the case of miscellaneous bills, been produced before us. The officers also, with whom the bills are supposed to be, have not, with the exception of the Assessor, acknowledged the correctness of the amounts at their debit. A comparison between the amounts at debit of these officers on the ledger and the accounts kept by the officers themselves is being made.

8. Besides these debit balances, the following balances at credit of the late Collector should be brought to your notice :—

	Rs.	A.	P.
House-rate
Lighting-rate
Police-rate
Water-rate
	7,882	4	0
	927	9	0
	610	12	3
	256	6	3

Apparently these credit balances are the results of bills in 1878 having been made out and delivered to the Collector for realization without having been registered, and therefore without having been charged to his account. These bills, when realized, were credited to the Collector's account in due course, although when issued, they had not been debited to him. To what extent bills were thus made over to the Collector without having been registered and charged to his account is not known. The matter, we understand, has formed the subject of a special report by the Vice-Chairman.

9. With reference to the receipts from the sale of land credited to the General Fund as revenue, we would remark that it would be more appropriate to credit such receipts to your capital account than to treat them as revenue of the year.

10. With reference to paragraph 31 of our last report it should be stated that no readjustment of the value of the tramway materials in the entally stores was made in 1879.

We have, &c.,

Appendix F.

No. A-116.

From—The Auditors of the Accounts of the Calcutta Police,

To—The Municipal Commissioners for the Town of Calcutta.

GENTLEMEN,

We have the honor to inform you that we have audited the accounts of the Commissioner of Police for the year 1879 and have found them to be correct.

2. We annex the usual statement of receipts and expenditure, and a copy of the balance sheet of the 31st December 1879.

3. The statement closes with a deficit balance of Rs. 9,647-15-10, which sum, together with Rs. 1,773-5-8 paid by Government in excess of their share of the expenditure, is recoverable from the Municipality. To meet these amounts there is only a sum of Rs. 6,643-0-3 at credit of the Police-rate Fund on the Municipal ledger, but there were bills outstanding on the 31st December 1879 on account of the Police rate, to the extent of Rs. 71,705-11-0.

4. The comparison between the actual receipts and expenditure and the estimates will be found in the annual accounts which have been passed by us, and call for no special remarks in this report.

5. The safe custody receipt of the Bank of Bengal for the Government Promissory Notes, which belong to the Calcutta Police Superannuation Fund, has been produced to us, and the balances of the advance and deposit accounts have been analysed and explained to us in detail.

We have, &c.,
